The 40&8 is a non-profit Veterans honor society originally started within The American Legion. We received our name from the WWI "40/8" Cargo capacity sign emblazoned on each French boxcar that carried American doughboys to the front line during the war. The full name of our organization is "La Societe des Quarente Hommes et Huit Chevaux" (The Society of Forty Men and Eight Horses) as that was all that could fit in the French boxcar. Our purpose is to assist Veterans, their families, the Widows and Orphans with our programs and operations. The funds collected here offset the costs of hosting the North Carolina Grand Promenade, our yearly business meeting. **THANK YOU.**
